## Principal's News

Dear Parent/Guardians:

Great News! After all of January's snowy days, Shubenacadie Sam emerged from his hole and did NOT see his shadow! *Hopefully*, that means we can look forward to an early spring. We have many initiatives planned for the month of February. All month we will acknowledge and celebrate African Heritage Month. Our school has a LOVE IS LOVE theme started and you can watch our tree in the front entrance way grow with the kind notes students are writing to one another. We will also be celebrating

the start of the Winter Olympics with our own *Opening Ceremonies* on Friday, February 9th. On February 15th, we have planned a whole school Olympics' Day where students will be in mixed grade groups and they will be participating in a variety of Olympic activities.

## Movie Night at LCS

We will be having a Family Movie Night on Friday, February 9. Due to limited seating (150 people) this event is **open only to current LCS students and their families.** We regret to advise that if we exceed this number we may have to turn people away.

The movie, "*Despicable Me 3*", will start at 6:30 pm. Please note that ***doors will open at 6:15 pm.*** Popcorn and beverages will be \$1.00 each. Parents must accompany children.

Please do not drop off children unaccompanied.

There will be a freewill offering.

## Primary Registration for 2018-2019

If you have a child or know of a child in our area who will be 5 years of age on or before **December 31, 2018,** please contact the school to pre-

register him/her for school. Their first visit will be February 22<sup>nd</sup>. Please call to arrange a time for this visit.

## Seasonal/Spare Change of Clothing

With the colder weather arriving, it is important that children are dressed appropriately for playing outside. Please ensure your child is dressed for this colder weather with jackets, hats and mitts. Children have a tendency to get wet and/or dirty while

playing outside. There are also times during classroom activities that accidents occur. **Please pack your child a complete set of extra clothing to keep on hand** during the day for these unexpected accidents.

## Schneiders Lunch Mates Wrappers

Please feel free to send in any that you are not going to use. Thanks!

## Ski Trip to Martock

The grades four and five classes will be travelling by bus to Martock on February 14<sup>th</sup>. **Please note this date.** The permission slips from the original trip date are still valid. Buses will leave at 8:45 & return by 4:00.

Please let the teacher know if you have any changes to be made to your child's pickup information.

## Vehicle Idling

The Annapolis Valley Regional School Board recognizes that vehicle exhaust fumes contribute pollution to the environment. Unnecessary vehicle idling

increases pollution which contributes to adverse effects on the environment and the health of individuals. **We are asking that all vehicles on school property not be left idling.** Thank you!
