Principal's News

Dear Parent/Guardians:

As we welcome May, we also welcome our Annual Spring Bingo, our new primary students and our Annual Variety Show. This is a busy, but very special time of year as we look forward to many of our traditions and celebrations in the upcoming weeks before the end of the year. We will also be taking time in the upcoming weeks to get our garden beds fertilized and seeds planted. Our school garden is a hands-on way for our students to learn about where some of their food comes from and it provides them

with an opportunity to try foods that they may not have tried before. We hope to expand our garden in this year so we can grow pumpkins and potatoes. We are looking for any community members that have a rototiller and an hour of time to help us get the ground ready for planting. Please contact us at the school if you are able to help us out.

Have a Happy May.

Yardsale at LCS

A huge thank you goes out to everyone who helped us with the yard sale, either by donating, working or buying our treasures! We made almost **\$700.00!** This will go a long way toward new books for the Library revitalization project. We are fortunate to have such great support!

We are still looking for donations of Lego, K'Nex, Tinker Toys and Lincoln Logs for the Makerspace we are creating in the Library.

Turkey Supper

The Lawrencetown Lions Club has graciously offered to hold one of their famous Turkey Suppers at the Firehall on June 2nd as a fundraiser for our Library Revitalization Project.

We are looking for a few parents to give us a hand in either serving or cleaning up. If you can spare a bit of time, please call the school office at 902-584-4500. Thanks!

Spring Bingo

Spring Bingo is Friday, **May 4th.** Bingo starts at 7:00 and the doors open at 6:00. There will be a canteen and dobbers will be available for \$1.00.

evening with lots of great prizes to be won.

Thanks to our local businesses, we are once again able to provide a fun

The childcare at the Bingo is for LCS students from grade primary to three. If you want to take advantage of this program, please return the orange form to the school.

Are you moving?

We are currently looking at our enrollment, staffing needs and class configurations for the next school year. It is very important that we know who will be attending LCS in

the fall. If you know that your family will be leaving the area, or you know of a family that may be moving into our area, please contact the school.

Variety Show

The students and staff of LCS would like to invite parents, grandparents, and community members to join us for our annual Variety Show on **Friday, May 25th at 1:00 pm** in the school gym.

Some students in grades 3-5 will be performing individual numbers and each class from Gr. P-5 will be performing a whole-group number.

As students begin to think about selecting their acts or songs, etc. we ask that you, parents/guardians, help them to make appropriate school and age choices for song lyrics and clothing selections.

Practicing will begin shortly. We hope you can join us for an exciting afternoon of entertainment!

Wood Ticks

More and more students are coming to school with wood ticks on them. It is recommended that you check your child(ren) each day to ensure that they do not have any ticks on

them. For more information on ticks and Lyme Disease, go to:

Enrichment - Calling all volunteers

We will soon begin to organize school wide enrichment modules that will take place in May. We are planning a variety of workshops and activities that students can try for the first time or ones they can attend and develop their skills in a particular area of interest they may have. We are asking that any volunteers who would be willing to share their talents and skills with students **to please contact the school.** Activities may include knitting, drawing, painting, developing skills in particular sports,

developing musical talents, to name a few examples. Don't feel as though you have to lead a session! **We are also looking for volunteers to help out with some of the activities.** These Enrichment modules will take place June 8 & 15 12:45 – 2:15 pm. An important reminder is that all volunteers must have their criminal records check and child abuse registry checks done before working with the students. See Mrs. Young in the office for information on completing these forms. *Thanks!*
